CHAPTER 13 PLAN

Payments to Trustee from the Debtor:

1. The Debtor shall pay to the Trustee the sum of \$ 352.35 per month for 36 months through monthly auto-drafts on the 20th of each month.
2. Unless this plan is confirmed as a 36 month plan guaranteeing a 100% dividend to unsecured creditors, the Debtor will additionally turn over to the Trustee all tax refunds, bonuses, unused vacation pay and any other irregular or incidental disposable income received during the term of the Plan to be distributed in accordance with guidelines established by the Court. These amounts will be applied to the existing plan base; however, to the extent applying these additional amounts to the existing base would reduce the plan length to less than 36 months, the plan base will be increased. Federal earned income credit portions of tax refunds will be returned to the Debtor if a timely request for such relief is received prior to disbursement of the funds to creditors.
3. The Debtor will additionally turn over to the Trustee the nonexempt portion of the proceeds of any lawsuit, inheritance or any other windfall in an amount in excess of \$500. The plan base shall be increased by the amount received as a result of the lawsuit, inheritance or other windfall.

From payments received under the plan, the Trustee shall make the following disbursements:

None

2. If at any time during the case, an order terminating the automatic stay is entered, no further distributions will be made to the secured creditor obtaining stay relief until such time as

3. All executory contracts are rejected, except such executory contracts assumed, as follows:

6. The Trustee will make no disbursements to any creditor until the creditor has filed a proper proof of claim and provided a file-stamped copy of the claim to the Trustee. In the case of a secured claim, the creditor must attach proper proof of perfection of its security interest as a condition of payment by the Trustee.

7. To the extent necessary to make the disbursements required under this Order, the plan term may be automatically extended to a term up to 36 months.

8. The Debtor will pay a minimum base amount of \$ 11,854.64 if confirmed as a base plan. If the plan is confirmed as a percentage plan, the Debtor will pay the greater of the stated percentage or base amount. This plan is proposed as a **base** plan.
